The screenshot displays a Zoom meeting in progress. At the top, a dark blue header bar shows a 5-minute timer and a 'Dismiss' button. The main content area is a web browser window displaying the 'Air Cargo Schedule and Rate' API documentation on RapidAPI. The browser's address bar shows the URL 'rapidapi.com/cargoai-cargoai-default/api/air-cargo-schedule-and-rate/'. The page features a search bar, a 'Search for APIs' button, and a 'Premium' badge. The API details section includes a 'POST Search Rates and Flights' endpoint, a 'Request URL' field with 'rapidapi.com', and a 'Code Snippets' section with a JavaScript code example. The Zoom interface at the bottom includes a taskbar with various application icons, a system tray with a clock showing 18:30 on 21-12-2022, and a video thumbnail of a participant.
